# Forty-seventh Annual Report, 1926.

---

THE BOARD OF GOVERNORS of the Hospital submit the Annual Report and Statement of Accounts for 1926, to subscribers and to those interested in the work of the Hospital. The Board, and the Finance Committee, met regularly every month throughout the year; and all items of receipts and expenditure are examined and checked by the Honorary Treasurer, Mr. Folkard, of the Westminster Bank.

## **The Honorary Medical Staff.**

The voluntary work carried out by the Medical, Surgical, Ophthalmic, and Dental Staff, has earned the gratitude and hearty appreciation of the Board. The work undertaken by the X-Ray Department increased considerably, the number of cases being 365, as against 314 in 1925, and 219 in 1924.

## **The Nursing Staff.**

The Matron, Miss Mabel Ensor, R.R.C., has carried out her arduous duties with her usual tact and efficiency, and has been loyally supported by Sisters Gristwood, Perkins and Chilcott, and the Nurses on the Staff. That their work has been fully appreciated is testified to by the voluntary donations of the patients who have come under their care, the total reaching the highest mark yet touched, viz., £700; and including the fees from private wards £1,081 6s. 8d. The following detailed statement

**MAIDENHEAD HOSPITAL,  
MAIDENHEAD.**

**All Subscribers are requested to send their Subscriptions or Donations direct to the SECRETARY at the above address, and not to the Hon. Treasurer.**

**Contributions from Employees and Staffs** of the various firms in Maidenhead, were better than in 1925 (£243 against £221), in spite of the fact that the G.W.R. staff withdrew most of their usual subscription of from £40 to £50, having elected to join the Hospital Saving Association in London. As usual the staffs of Messrs. Nicholson & Sons, the Thames Valley Traction, the Constabulary, Messrs. Cooper & Sons, Fuller & Davies, and R. A. Butler and Mr. Wagg's staff were the main contributors; and Mrs. Gates, of the "Pond House" heads the list in box collections. The receipts however from this source in Maidenhead town are most disappointing, and until the heads of offices, and employers of labour in the building and other trades, take a personal interest in this matter contributions will continue to dwindle year by year. To meet the decrease in these voluntary donations the Board of Governors are considering the advisability of starting a Contributory Scheme, on the lines now successfully worked by other Hospitals.

**Village Subscriptions** have been collected regularly throughout the year; in Littlewick and Burchett's Green by Miss Hogarth and Mrs. Deacon; in Cookham Dean by Miss Hawkes; in Cookham by Miss Hay. The Board are exceedingly grateful to these ladies for their valu-

able assistance. The following are the totals collected in each village :—

### Entertainments, Street Collections, Clubs, etc.

On **Ascot Sunday**, thanks to the efforts of Mrs. E. Radcliffe and Mrs. Salomonson, assisted by other kind ladies, a sum of £252 17s. 2d. was collected, of which one-third, *i.e.*, £80 2s. 4d. (after deducting £12 for expenses) was paid to the Nursing Association as their share.

The Committee of the **Cox Green Horticultural Show** presented their usual very generous donation of £100 to the Hospital.

**Murray's River Club**, through Mr. Jaek May, for the fourth year in succession, helped the Hospital with a substantial donation of £50.

**Mr. Herbert Johnston** and his company of Amateurs, from the proceeds of theatrical performances, one at the end of 1925 and another in 1926, very kindly contributed to the funds of the Hospital £58 12s. 8d.

**Miss Leslie Roche** most generously gave the proceeds of her dancing display, viz., £15 0s. 0d., to the Hospital.

The Board are greatly indebted to these kind friends for their contributions and interest in the Hospital.

### **Wireless Installation.**

Thanks to the disinterested efforts of Mr. Reginald Ford, the Hospital has been provided with an up-to-date installation, ear-phones being attached to every bed, and a surplus fund added for the upkeep of batteries, etc., for a whole year, at a cost of £65 3s. 1s.

**A new Operating Table** was presented to the Hospital on the initiative of Dr. Montgomery, who collected the necessary funds, viz., £121 0s. 0d., from generous friends in Maidenhead and Windsor.

Owing to legal technicalities, connected with the licensing of the Boat Club Hall, the **Hospital Ball**, which was to have been held there and in the Riviera Hotel adjoining, had to be abandoned, much to the regret of the Ladies' Committee, who had virtually completed all arrangements for a successful ball, which would have produced a welcome addition to the funds of the Hospital.

### **Pound Day.**

The Matron and the whole Nursing Staff are to be heartily congratulated on their Pound Day collections, which amounted to £33 4s. 0d. in cash, with 3,300 lbs. in kind, made up of groceries, fruit, vegetables, etc., sent by grateful patients and their friends.

In addition to these collections the thanks of the Board are especially due to **Sister Gristwood**, who got up **Small Raffles** and competitions during the year among the patients in the Hospital for articles made by the Nursing Staff, and gifts from patients and their friends. These realised over £100, of which £25 are shown under the heading "Patients' Donations."

**Gifts in kind** were received daily from constant friends, and these have been duly acknowledged in the weekly edition of the *Maidenhead Advertiser*.

## **Linen Guild.**

In spite of all difficulties, Miss Laking continues her special and most useful work for the Linen Guild, and patients have benefited by the renewal of convalescents' dressing-gowns, and new bed linen.

## **PAYMENTS.**

Owing to causes over which the Board had no control, the amounts that this Hospital was called upon to pay to the Windsor Hospital for patients received from the Maidenhead Area, were very greatly in excess of any previous year ; so much so that the Board were forced to re-consider the agreement come to between the two Hospitals in 1921, and have decided to terminate it. Some other arrangement will have to be entered into between the two Hospitals, and this is now under the consideration of the Board.

The items of expenditure under the various other heads call for no special comment, as may be seen by comparing the parallel columns of accounts for 1925 and 1926. In spite of the economic difficulties of 1926, the Matron is to be congratulated on her efficient management of the departments under her control.

The Secretary had considerable difficulty in keeping up the supply of fuel for the Hospital requirements during the Coal Strike.

**Christmas Festivities** were arranged for by the Matron and the Nursing Staff, who generously provided Christmas gifts for every patient in the Hospital. There were the usual theatricals, and concerts, and St. Luke's Choir—under the direction of the Rev. Mr. Fry and Mr. Garrett Cox—sang carols in all the wards. Turkeys and other Christmas fare were given by those kind people who never forget the Hospital and the patients at this festive season.
